

India's Leading

Manufacturer & Exporter

Dairy Fitting & Valve | Pharmaceutical Fittings & Valves

Hydraulic Fittings | Fasteners | Investment-cast Fitting

Industrial Fittings & Valves | MS Butweld & Forge Fittings

About Us

“

Kubos Engineering is a renowned manufacturer and supplier specializing in the production of high-quality dairy and pharma fittings and valves. With a commitment to excellence, Kubos Engineering has established itself as a trusted name in the industry, delivering reliable and precision-engineered solutions to meet the diverse needs of our clients.

At Kubos Engineering, we take pride in our extensive experience and technical expertise, which enables us to produce top-notch fittings and valves for the dairy and pharmaceutical sectors. Our dedication to quality, innovation, and customer satisfaction has positioned us as a leader in the market.

Vision:

Our vision at Kubos Engineering is to be the preferred choice for dairy and pharma fittings and valves, setting the industry standard for quality, reliability, and innovation. We aim to continually enhance our product offerings, expand our market presence, and foster lasting partnerships with our clients. We envision Kubos Engineering as a dynamic and forward-thinking company that embraces technological advancements and industry best practices. Our commitment to sustainability and responsible business practices is integral to our vision, ensuring a positive impact on the environment and the communities we serve.

Mission:

Kubos Engineering is on a mission to provide cutting-edge solutions in the field of dairy and pharmaceutical engineering.

Our mission includes:

Quality Manufacturing: To consistently manufacture fittings and valves of the highest quality, adhering to international standards and regulations.

Innovation: To foster a culture of innovation within our organization, staying abreast of technological advancements and continuously improving our products and processes.

Customer Satisfaction: To exceed customer expectations by delivering reliable, customized, and cost-effective solutions, backed by exceptional customer service.

Diversity in Offerings: To be a one-stop solution for a wide range of fittings, including stainless steel (SS), mild steel (MS), ferrous, and non-ferrous metals. Additionally, we provide a comprehensive selection of fasteners to meet diverse industrial requirements.

Sustainable Practices: To integrate sustainable and eco-friendly practices into our operations, minimizing our environmental footprint and contributing to a greener future. Kubos Engineering is driven by a passion for engineering excellence, and our mission is centered on contributing positively to the industries we serve while ensuring the long-term success and satisfaction of our clients.
